Gentlemen:

Recently the City of Pomona filed with your Department the application for annexation to our City titled, "Cal Poly Annexation #1".

After submittal of this application, San Dimas requested that the City of Pomona modify this annexation request so that the northerly boundary of the new annexation area would follow the centerline of the San Bernardino Freeway rather than the present San Dimas City limits. The City of Pomona feels that their request is reasonable and respectfully requests the Local Agency Formation Commission to modify our application by changing the northerly boundary line description of Cal Poly Annexation #1, to conform with the centerline of the San Bernardino Freeway.

Very truly yours,
